### Ten Ways to Love Your Neighbor

By: Terry McGiffin

1. Speak to people. Nothing is nicer than a cheerful greeting.
2. Smile at people. Frowning uses 72 muscles, smiling only 14.
3. Call people by name. The sweetest music to anyone's ears is the sound of their own name.
4. Be friendly and helpful. To have friends, be friendly.
5. Speak and act as if everything you do were a real pleasure.
6. Be genuinely interested in people. Be cordial.
7. Be generous with praise and cautious with criticism.
8. Be thoughtful of the feelings of others. Be gracious.
9. Consider the opinions of others. A controversy has three sides -- yours, the other person's, and the right one.
10. Be alert to give service. What counts most in life and work is what we do for others.

Think about it! What two things do these ten ways have in common? These are all positive ways to make life more pleasant and they all focus on other people.

Brian Tracy said that The three C's of leadership are Consideration, Caring, and Courtesy. Be polite to everyone.

Jesus said in Mark 12:31 to Love your neighbor as yourself.

**Abundant Living** is a weekly message to help people achieve more of their potential. Please feel free to share this message.
